Dear Fireside Friends,

The Summer season kick-off is just around the corner and we're looking forward to having Dogs on Skis on hand to help us launch into the season this Friday (May 27th)!

The vineyards are looking great - we've planted a few more acres this spring, adding more Marquette (red) and Brianna (white). When you visit the winery, look back to toward the pond and you'll notice another 1+acre of vines.

We've got a lot of interesting news to share and we hope you take a few minutes to see what we've been up to.
